The two charities the Lent Lunches are supporting this year are:

The Bishop's Lent Appeal 2026

This year the Bishop of Norwich's Lent Appeal will be raising funds for clergy children at Martyrs School, an Anglican School in Papua New Guinea. The year on year funding will continue until studies are completed.

Tearfund

This year the focus will be on Tearfund's emergency appeal for the Democratic Republic of Congo where 7.3 million people have been displaced in one of the world's worst humanitarian crises. Tearfund works to meet emergency water and sanitation needs and also works with local communities to ensure that water systems are sustainable and well-managed in the long-term.

There is no set charge but we would be delighted if you felt able to make a donation to one or both of these two charities.

We look forward to seeing you.
