12.30-1.45pm

Relaxed occasions to meet friends  
and enjoy soup, bread, cheese, pate,  
fruit, tea or coffee during Lent

Just come along

NO BOOKING  
REQUIRED

The two charities the Lent Lunches are supporting this year are:

### The Bishop's Lent Appeal 2024

Helping to raise money to provide water tanks for Ordinand's Homes at Newton Theological College in Papua New Guinea. Students must live on-campus and the primary need is to provide clean water from rainwater tanks. The Lent Appeal aims to provide twenty-five tanks between fifty student homes.

### Tearfund – Hunger Crisis Appeal

Countless families worldwide are struggling to survive as living costs soar – those in the world's poorest countries are being hit hardest by rising food and energy prices, inflation and debt. An additional 71 million people have been pushed into extreme poverty. For the most vulnerable this is life-threatening.

Tearfund supports local churches running nutrition programmes and offering long-term solutions to hunger, such as diversifying crops and finding new ways to earn an income. They are equipping people against hunger in a sustainable way.

There is no set charge but we would be delighted if you felt able to  
make a donation to one or both of these two charities.

We look forward to seeing you.
